Age 8

Malo ni(Hi) my name is Kayla and I learned a lot about Recycling. I learned that you could recycle anything. I only thought that you could recycle cans and bottles. I also learned that the water park recycles thire water.

I ~~also~~ learned how to reduce water. I learned that if you wash one dish and leave the water off you will save 1 gallon of water. I also learned that when you go to the store take a cloth bag with you for the grocery's.

I ~~also~~ learned how to reuse things. I ~~also~~ would reuse my dishes every day so I ~~don't waste~~. I ~~also~~ learned that you could reuse a lot of things. I also learned that R is the sixth teen letter in the alphabet.
